Re: *S.E.C. v. Zhabilov, et al.*, 1:24-cv-07362-ALC (S.D.N.Y.)

Dear Judge Carter:

Please accept my and my colleagues' sincerest apologies for our absence from the court conference scheduled for this afternoon. We had an internal docketing error and today's conference was simply not calendared correctly. We deeply regret the inconvenience our inexcusable absence caused the Court and the other parties. We take full responsibility for this oversight, and we have already implemented measures to ensure that this kind of oversight does not occur again.

Sincerely,

Maxim Nowak
